Education

Fall 2015 – Spring 2020

BS in Computer Science

Kent State University, Kent Ohio

GPA: 3.156

Fall 2011 – May 2015

Highland High School, Medina Ohio

Work experience

Fall 2018 – Spring 2021

Startup Stirfry – **Designer and developer**

Worked on a variety of contract jobs, including design, marketing, and development.

Worked with several start-ups, designing app interfaces to their specification.

Spring 2017 – Spring 2019

Technologix – **Developer**

Designed and developed web interfaces for tracking company data and tables at trade shows.

Used VueJS for the UI, and Axios to interact with a Python server, with a MongoDB database.

Summer 2021 – Winter 2021

Casentric – **Lead front-end developer**

Used VueJS and Vuetify to design the main interface for a single-page insurance management web app.

Used Axios and GraphQL to work with data from the project's Django server backend.

Winter 2021 – Present

Giant Eagle – **Curbside department**

Shopping and customer service for Giant Eagle's curbside department. Worked on independent software projects during this time.

Soft skills

Work ethic –

I prefer a 40 hour week of meaningful work.

Critical thinking –

I enjoy thinking of thorough solutions to problems.

Teamwork –

I'm happy to work with a team or independently.

Volunteer experience

Spring 2016 – Spring 2020

Hacksu – **Co-leader**

Part of the leadership team organizing and teaching weekly tech-related lessons, at Kent State University.

Our student-run organization taught a wide range of programming languages and frameworks.

Fall 2016 – Spring 2020

Kent Hack Enough – **Organizer**

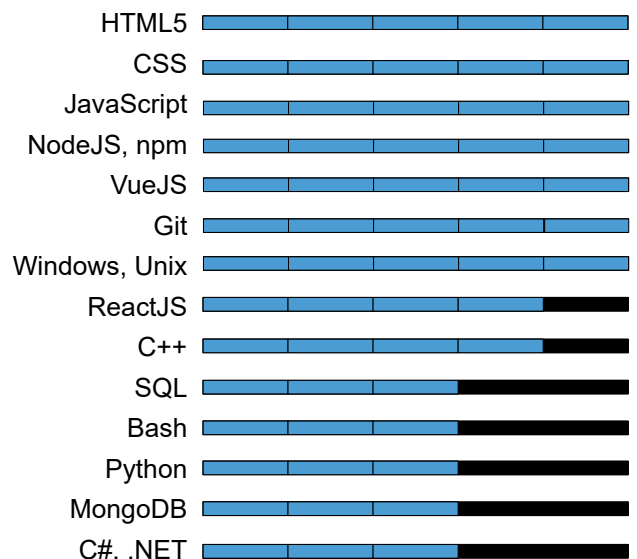

Part of the organizing team in charge of promotion, management, and mentoring for Kent State's weekend-long hackathon event.

Fall 2016 – Spring 2020

8 hackathons – **Participant**

Collaborated on tech projects at hackathon events. Worked on teams to build a variety of tech projects.
